

### Antistatic Fleece

#### Technical Specifications:

**Material:** Soft, antistatic fabric that dissipates static electricity.

**Pockets:** 2 side pockets

**Fabric Composition:** 97% Polyester, 3% Carbon Fiber

**Fabric Weight:** 245 g/m<sup>2</sup>

**Surface Resistance:** Rs <10<sup>11</sup> Ohm (Test Method: IEC 61340-4-9)

**Color:** Black

*Compatible with IEC 61340-5-1:2016*
